

SouthWest Exposure Camp

ABOUT SWEC:

There will be dozens of bonafide D1 prospects **overlooked / snubbed from the July NCAA live camps** which will be held in Houston, Texas. The SouthWest Exposure Camp was established to fill a very foreseeable void and possibly serve as a solution to that upcoming problem. We have a committee who will **select 80 players for two separate sessions. Each game will be streamed live** which makes it feasible for D1 coaches to view and evaluate the campers while playing against other D1 prospects.

The SWEC will take place in **Houston, TX, July 24-25** while Session II will be **July 27-28**. All camp counselors will be high school coaches.

WHO IS ELIGIBLE?

Elite players from the classes of **2020** (rising Srs), **2021** (rising Jrs) & **2022** (rising Sophs) from **Texas, Louisiana, Mississippi, Arkansas & Oklahoma**
